

# American Fern Society

We promote interest in cultivating, conserving, and studying ferns.

Publishers of *American Fern Journal* • *Fiddlehead Forum*

Available online at: <http://www.amerfernsoc.org>

March 12, 2021

## PRO-FORMA INVOICE

This is your pro-forma invoice for the scientific quarterly *American Fern Journal*. This invoice covers one subscription for 2021, which includes Volume 111 of the *American Fern Journal* (ISBN 0002-8444), with the free newsletter *Fiddlehead Forum*. Subscription to addresses outside North America include the cost of distribution by air. Regrettably, the Society's titles are not fully available electronically at the present time. Our older issues are available to subscribers of the online service JSTOR and the last three year's issues are available through the online service BioOne. Libraries, herbaria, businesses, and other organizations may subscribe to the *American Fern Journal*. However, only individual persons may be members of the Society.

Subscription/Agent Price: \$60.00 per volume of 4 issues  
\$3.00 deduct agency fee if applicable  
\$57.00 net price to agents

**Registration process:** As of 2021, Agents and Subscribers should follow the steps below to register their subscription(s) and process all payments (including payments by check).

1. Visit <https://payments.amerfernsoc.org>
2. Select "Join the Society or Renew your Membership".
3. Enter a username, password, and email address for *a single institution\**.
4. Complete the mailing information.
5. On the tab for membership type, please select Agent or Subscriber, as appropriate.
6. You will have the option to pay securely via credit card or mail in a check.

\*Subscription agents representing multiple institutions will need to create a separate account for each institution/address that should receive our publications. Each account will need a separate email address associated with it. There is a workaround for this that we can help you with if necessary; please email our membership secretary (Sally Chambers, [schambers@selby.org](mailto:schambers@selby.org)) for more information.

**Payment timing:** Agents are encouraged to pay for renewal subscriptions at the beginning of the year. However, we recognize that this is not possible for all subscribers. Most agents renew their subscriptions automatically, but invoices for renewals will be sent on request or if subscriptions are not renewed automatically. Invoices for memberships and subscriptions are routinely sent in November.

Cancellations are accepted and balance refunded.

### Payment methods:

- **Credit Card:** credit card payments are easily accepted when following the steps above.

- **Check:** U.S. dollar check drawn on a U.S. bank and encoded with the U.S. bank routing number, or international postal money order negotiable at a U.S. post office. Please make all checks payable to: AMERICAN FERN SOCIETY, INC. and mail to this address:

Eric Schuettpelz

Treasurer, American Fern Society  
National Museum of Natural History  
10th St. & Constitution Ave. NW  
Washington, DC 20560

- Address all other correspondence and claims to:

Sally Chambers

Membership Secretary, American Fern Society  
Marie Selby Botanical Gardens  
1534 Mound Street  
Sarasota, FL 34236

---
